

Lead Engineer Production, Mechanics - Process Optimization, Superintendent Finishing (f/m/d)

 [Carlex](#)  Grevenmacher , Z.I. Potaschberg

At Carlex, we make more than automotive glass. We make people's lives safer and more comfortable along their journeys. Every day, we unite as a team to deliver quality products and innovative solutions that earn our customer's trust and build lasting relationships.

Carlex Glass is a daughter company of Central Glass, Tokyo, a stock listed corporate entity with 7000 employees worldwide.

Carlex Grevenmacher supplies automotive glass to German premium OEMs. We are the only production plant of Central Glass' automotive business in Europe with about 600 employees. *Those are representing our core values: Safety, Customer Focused, Teamwork, Excellence and Trust.*

Engineer Leader Superintendent Finishing (f/m/d)

Activities and responsibilities

Role:

- Schedule production processes and adapt the operational organization to customers' demands
- Ensure the availability of the requested products in time and with the optimum efficiency; therefore, you interact with the scheduling department as well as with the logistics department
